

# INTERNATIONAL STUDENTS

## You have to prepare for the TOEFL exam!

### Maximize your score with University of Miami TOEFL iBT Prep

#### What is the TOEFL test?

The Test of English as a Foreign Language™ measures the ability of nonnative speakers of English to use and understand English as it is spoken, written, and heard in college and university settings.

The TOEFL Internet-based Test (TOEFL iBT) tests all four language skills that are important for effective communication: speaking, listening, reading, and writing. The test helps students demonstrate that they have the English skills needed for success.

#### Do I have to take the TOEFL test?

- International students must take the TOEFL to be admitted into four-year colleges and universities
- If you don't get a high enough score, you won't be admitted or you will be required to enroll in an IEP/ESL program before you're admitted
- YOU HAVE TO PREPARE FOR THIS TEST. This is not a test that you can study for the week before
- If you score well on the TOEFL, you can be assured you're ready for success in college
